An exquisite hideaway nestled into 27 beautifully manicured waterfront acres overlooking Pleasant Bay in the Village of Chatham, Wequassett Resort and Golf Club resides in the lower Cape on the Nantucket Sound. The resort offers 120 beautifully appointed guest rooms and suites and the best in coastal dining with four restaurants featuring elegant to seaside-casual ambience. A host of amenities and activities includes access to a private 18-hole championship golf course, two swimming pools, pristine beachfront, water sports, and tennis courts. A whimsical Children's Center with creative children's experiences is a highlight for younger guests.

ACCOMMODATIONS:

Wequasset's inviting exterior showcases nostalgic Cape Cod-style architecture with soft grey and white cedar shake sidings aged by the sea and sand and wide, gracious porches. Meandering brick walkways are flanked by lush English-style gardens boasting the distinctive hydrangeas, spring tulips and azaleas associated with the Cape. Around almost every turn, the resort beckons guests to sit and reconnect with outdoors fire pits and deep Adirondack chairs scattered throughout the property. Virtually every position on the property boasts dramatic views of the Atlantic Ocean or Pleasant Bay.

Completed in 2009 and evocative of a favorite seaside retreat, the **Signature Collection** provides families with either a king or two queen beds, connecting rooms and wraparound views of Pleasant Bay and breathtaking views of the Atlantic Ocean. Interiors provide a distinctive sense of place with soft ocean palettes, custom-designed bedding in playful seaside patterns and rich marble bathrooms complete with garden tubs. Lively upholstered seating cozies up to a fireplace and flat-screen TV. In-room technology makes entering and leaving a snap, automatically turning on and off the fireplace, lights, music and temperature. Second floor rooms open up to views of the Atlantic Ocean and each residence walks out onto a private patio with outdoor fireplace and conversation area. Part of the Signature Collection, the **Round Cove Suite** offers the resort's most luxurious one, two or three bedroom accommodations.

Sporting names of indigenous flora such as Cranberry, Elderflower and Petunia, entire residences can also be booked providing families beach house-style accommodations with access to resort amenities.

Cape Cod Cottages offer families two, three and four bedroom styles complete with patios and porches.
